

## Day 1 – PRESBYOND Laser Blended Vision

Friday 23 June

Time	Speaker	Topic
09:00	Timothy Archer	Introduction
09:15	Glenn Carp	<i>Lecture:</i> Monovision, modified monovision and PRESBYOND Laser Blended Vision
09:45	Dan Reinstein	<i>Lecture:</i> Trends in multifocality and monovision for the treatment of presbyopia
10:15	Discussion	
10:30	<i>Break</i>	
10:50	Dan Reinstein	<i>Lecture:</i> Manifest refraction protocol, binocular balance, and PRESBYOND tolerance testing, dry eye management
12:00	Glenn Carp	<i>Lecture:</i> Cross-blur management and retreatment options after PRESBYOND
13:00	<i>Lunch</i>	
13:45	Rob Morris	<i>Lecture:</i> Clinical decision pathway for choosing presbyopic surgery for my own eyes
14:00	Glenn Carp / Dan Reinstein / Rob Morris	<i>Case discussions:</i> Patient suitability for presbyopia correction and management of cataract development after or before PRESBYOND
14:40	Timothy Archer	<i>Lecture:</i> Treatment planning with the CRS-Master PRESBYOND module
15:00	<i>Break and transfer to London Vision Clinic</i>	
15:30	Optometrists (groups of 5-6)	<i>Workshop:</i> Manifest refraction and tolerance assessment protocol, preoperative evaluation, patient selection, counselling, informed consent, and expectation management
16:45	Optometrists (groups of 5-6)	<i>Workshop:</i> Routine postoperative care, counselling, management of cross-blur, adaptation period and patient satisfaction after PRESBYOND
18:00	Friday Social Evening: Ten Pin Bowling & Dinner All Star Lanes, Victoria House, Bloomsbury Pl, London WC1B 4DA	

## Day 2 – Small Incision Lenticule Extraction

Saturday 24 June

Time	Speaker	Topic
09:00	Walter Sekundo	<i>Lecture:</i> A personal perspective of the groundwork for femtosecond only based corneal refractive surgery amidst a "sea" of opposition
09:15	Glenn Carp	<i>Lecture:</i> Preoperative assessment, patient selection, counselling, and treatment planning for a SMILE patient
10:15	Andre Narr	<i>Lecture:</i> Energy settings and the role of the Zeiss applications team
10:35	Discussion	
10:45	<i>Break</i>	
11:05	Dan Reinstein	<i>Lecture:</i> The standard protocol SMILE procedure
12:45	Discussion	
13:00	<i>Lunch</i>	
13:45	Dan Reinstein	<i>Lecture:</i> Suction stability management
14:30	Glenn Carp	<i>Lecture:</i> Management of intraoperative complications
15:15	Discussion	
15:30	<i>Break</i>	
15:50	Ryan Vida	<i>Lecture:</i> Routine postoperative care, counselling, and management of complications after SMILE
16:20	Glenn Carp	<i>Lecture:</i> Routine retreatment options after SMILE
17:00	Discussion	
17:15	Dan Reinstein	<i>Lecture:</i> Therapeutic retreatment options after SMILE
18:00	<i>End</i>
